Allowances to Village Officers - Monsoon Class 1920.

---

(2)

In paragraph 7 of G.O. No.499, Financial, dated 1st June 1920, it is laid down that allowances to Village Officers will be given for their attendance in the Taluk offices for the preparation of draft electoral rolls etc., previous sanction being obtained from the Board. In this district, a monsoon class is held for karnams for a period of $2\frac{1}{2}$ months every year. --- Accordingly all shanbhogues attended the last monsoon school held in the respective Taluk offices of the district for a --- period ranging from 3 to 15 days each. Payment according to the number of days each shanbhogue attended the Taluk office will entail a considerable amount of auditing and check and it seems simpler to make payment by a lump sum as in the case of attendance at jamabandi. I recommend the grant of Rs.5/- to each shanbhogue whose turf is more than 5 miles from Taluk --- head-quarters irrespective of the time spent. This will also be some reward to good shanbhogues and induce them to have --- their work well up to date. I request sanction may be ------ accorded for the payment.

I do not recommend any allowance to the shanbhogues' --- ugranis who carry their shanbhogues' records to Taluk office and back as they do not stay at Taluk head-quarters during the

whole period.
